WINGS N' WHEELS

About the Event

The third annual Wings N' Wheels is presented by the Clovis Regional Airport. The event takes place on September 21, 2024 from 10 - 2 p.m. at the Airport. With over 2,000 anticipated visitors, there is no better way to promote your business and showcase your support of our military, Cannon Air Force Base and the City of Clovis.

There are several ways to support the event.

- Sponsor the event and set up your own booth or trailer to interact with audiences on-site.
- Become a banner sponsor. Place a banner near the entrance and exit points as well as high traffic locations on the fly in grounds.
- Sign up to be a food vendor and join our fan favorite "Food truck Alley". Limited space available.
- Name an event location by becoming a naming sponsor. Each naming location is limited to one sponsorship and is a unique opportunity to contribute to the event & spread the message about your business.
- Showcase your business in the 'Wings N' Wheels' program handed out to everyone at the event.
- Attend the event on September 21, 2024!

Estimated Attendance: Approximately 2,000+

Advertising Timetable: July - September

Target Audience: All ages, Local Residents and Military Families. Car and plane enthusiasts.

2022 Facebook Reach: 39,111
